### Team Managers Report for NW AGM 2017

At the time of writing the Inter Regional Competitions have yet to take place with only the Road Team confirmed which will take place at the School Games to be held at Loughborough University in early September. The team coach will be Iain Childs from Kendal CC.

The NW Juniors were again invited to take part in the Heroes of Tomorrow Race, part of the Arctic Race of Norway and mid-August flew out to Tromsø above the Arctic Circle, courtesy of the Norwegian Federation and event sponsors Statoil. The team had a full weekend including a Q & A with ex World Champion Thor Hushovd. The riders had a great experience racing against 7 Norwegian Regions and teams from Finland, Germany, France and Scotland. The team finished 7<sup>th</sup> overall with help Team Coach Paul Andrews from Salt Ayre Cog Set.

The next Inter Regional will be the Track Competition to be held at the Chris Hoy Velodrome 15-17 September followed by the MTB competition to be held at Hadleigh over the last weekend of September.

This will be my last report as Team Manager due to me stepping down after 5 years in the role. I would thank the Board for their support over the years and it's been a privilege to work with all the riders and club volunteers who have represented the Region.

Tom Leivers, NW Team Manager
