

NW Lead Talent Development Coach Update

Manchester track development centre is drawing to a close, Tuesday 28th will be the last session of the year. 13 sessions have been delivered, lower sessions than usual due to the track rehub. Sessions have been well attended with riders from NW, Y, NE and EM attending, average session 35 riders per session.

Pathway RSR sessions have finished for the year and we are now into final racing of circuit with NWYT this weekend and School Games following weekend.

Winter sessions are currently being co-ordinated across the NW coaching team.

Clubs have been contacted about nominating riders for 2018/19 RSR sessions.

Inter-regional/School Games events

There have been some challenges with both the School Games and MTB inter regional selection of staff to represent the region with deadlines being missed by Team Manager.

School Games will go ahead for NW team although there were challenges around circulating the information to clubs, parents and riders.

MTB Inter Regional – NW team have until Friday 24th 11am

Regional AGM Notes

Pathway sessions

2018/19 sessions are planned more info can be found [here](#).

Talent development will also be running an induction for new riders into the RSR programme with regards to end/spr discipline, details above.
