ANNUAL GENERAL MEETING

38 members attended the 21st North West Region's Annual General Meeting held on 16th September 2021 held remotely ensuring we continued to be Covid compliance. Officials gave brief résumés of their work carried out during the past year and the Officers and Board members were elected to serve the region over varying terms of office.

REGIONAL COUNCIL

10 Members attended the North West Regional Council meeting held on virtually on 21st October 2021, the National Council agenda was discussed with our National Councillors, who then attended a revert back since the Covid pandemic to a face-to-face National Council meeting on 21st November 2021.

GOVERNANCE

I have attended quarterly virtual meetings with both all regional secretaries and our company secretary to ensure we continue with best practice and consistency in regional governance and that documentation is up to date and key issues addressed. I also attend meetings with membership services to ensure there is a consistent approach to club/team affiliations across all the regions.

THOUGHTS & THANKS

On behalf of the Region my thanks to all those clubs and promoters who ably promoted events in 2021/22 and to my fellow board members for their continued commitment to the smooth running of our region. There are still many challenges in all our sport disciplines, but I am confident with such passionate people driving activity the trend in participation levels will turnaround soon. Finally, I would just like to offer my congratulations to all those riders that have won medals in major events this year, we have strength in depth within our region across many disciplines and we should be proud of each and every one of their achievements.

Continue to stay safe & well everyone.
